

## **Warkworth School (1561)**

### **Enrolment Scheme**

Effective from 1 March 2017

The guidelines for development and operation of enrolment scheme are issued under Section 11G(3) of the Education Act 1989 for the purpose of describing the basis on which the Secretary's powers in relation to enrolment schemes will be exercised.

#### **Home Zone**

**All students who live within the home zone described below and/or shown on the attached map shall be entitled to enrol at the school.**

*The Warkworth School home zone will include:*

- *State Highway 1 (496-844, 513-844) from Waiwhiu Road (excluded) to Mahurangi West Road (included).*
- *Matakana Road (523, 494 and below included) to Anderson Road.*
- *Anderson Road is a shared zone, meaning students may attend either Warkworth School or Matakana School.*
- *Sandspit Road (809, 836 and below included) to Sharp Road and Mahurangi East Road (both excluded; Hamilton Road included; Laurie Road, 104 and above included)*
- *Kaipara Flats Road (388, 383 and below included) to Streamlands Swamp Road and Smyth Road (both included).*
- *Woodcocks Road (870, 869 and below included), to Denis Road and Matthew Road (both included).*
- *Addresses on Old Kaipara Road between Woodcocks Road and Streamlands Swamp Road.*

*All residential addresses on included sides of boundary roads and all no exit roads off included sides of boundary roads are included in the zone unless otherwise stated.*

Proof of residence within the home zone will be required.

Children who are already attending Warkworth School, and who live outside the proposed new enrolment zone, as at Wednesday, 1 March will continue to be enrolled at Warkworth School.

Each year, applications for enrolment in the following year from in-zone students will be sought by a date which will be published in a daily or community newspaper circulating in the area served by the school. This will enable the Board to assess the number of places which can be made available to students who live outside the home zone.

#### **Out of Zone Enrolments**

Each year the Board will determine the number of places which are likely to be available in the following year for the enrolment of students who live outside the home zone. The Board will publish this information by notice in a daily or community newspaper circulating in the area served by the school. The notice will indicate how applications are to be made and will specify a date by which all applications must be received.

Applications for enrolment will be processed in the following order of priority:

- First Priority**      *This priority category is not applicable at this school because the school does not run a special programme approved by the Secretary.*
- Second Priority**    will be given to applicants who are siblings of current students.
- Third Priority**     will be given to applicants who are siblings of former students.
- Fourth Priority**    will be given to any applicant who is a child of a former student of the school.
- Fifth Priority**      will be given to any applicant who is either a child of an employee of the board of the school or a child of a member of the board of the school.
- Sixth Priority**     will be given to all other applicants.

If there are more applicants in the second, third, fourth, or fifth priority groups than there are places available, selection within the priority group will be by a ballot conducted in accordance with instructions issued by the Secretary under Section 11G(1) of the Education Act 1989. Parents will be informed of the date of any ballot by notice in a daily or community newspaper circulating in the area served by the school.

**Applicants seeking second or third priority status may be required to give proof of a sibling relationship.**
